ORDER NO.

SUBJECT:

DOCKET NO. 2008-223-C - Application Requesting an Extension of Local Phone Service for Residents of the Landrum and Campobello Communities to All the Spartanburg Exchange – Discuss this Matter with the Commission.

COMMISSION ACTION:

During the hearing concerning the extension of local telephone service between Campobello, Inman, and Landrum, it was brought to our attention that Inman has an agreement with AT&T for local telephone calling within AT&T's Spartanburg exchange. Residents of Campobello and Landrum expressed interest in having such an agreement for local calling to Spartanburg. In a letter dated May 12, 2008, Representative Bob Walker asked the Commission to consider extending the local calling area of Landrum and Campobello to include Spartanburg. I move that the Commission request the Office of Regulatory Staff to investigate the feasibility of extending the local calling area of Campobello and Landrum to include the Spartanburg exchange and report their findings to the Commission no later than 60 days from the date of the order.
